

NON-PROFIT APPLICATION

Seeking non-profits and community organizations in the Bemidji region interested in participating in the True North HackFest Website Challenge scheduled for March 23-24, 2018. Selected non-profits will be randomly paired up with website development teams charged with creating a new website for its respective organization in 24 hours – **all pro bono!** Teams will compete for the most impressive, functional, and beneficial websites.

Responsibilities of the non-profit, if selected, is to provide written details about their organization to aid in the website copy content, submit photos that could be incorporated in the site, as well as, list features and functionalities that would be beneficial to the organization and/or its clients.

A representative(s) from the organization should be present for the kickoff of the event on Friday, March 23 from approximately 5:00- 10:00 pm and accessible whether in person or via email/phone for questions throughout the Challenge on Saturday, March 24th. Non-profits representatives are asked to be present for the judging and awards announcement Saturday afternoon from 4:00-6:30 pm.

APPLICATIONS DUE BY FEBRUARY 23

Submit to: Tiffany Fetting
LaunchPad Bemidji
102 1st Street West, Suite 101
Bemidji, MN 56601

Disclosure:

Website teams will be charged with creating a new website, not altering or updating an existing website. Content/photos from an existing site may be copied to the new site. The client will guarantee all text, images and other artwork provided are either owned by the client or has permission to use. Teams may choose whatever platform they wish to use. At the end of the competition there is no guarantee the website will be completed and fully functional. Upon site completion, copyright for the collective work created will be assigned to the client, with the developer(s) retaining the right to display and link to the project.
